

**2010 COMMUNITY ECONOMIC DEVELOPER OF THE YEAR AWARD WINNER
CHIPPEWA INDUSTRIAL DEVELOPMENTS LTD., ON**

Chippewa Industrial Development Ltd. Is the development corporation of Aamjiwnaag First Nation, and was established to create business opportunities and long term employment for band members. In 1991, the first phase of its industrial park was completed, and currently houses a small business plaza, gas bar and in total, leases space to 17 tenants, some of which are large corporations.

In addition to providing jobs for band members and other residents of the area, the industrial park also provides revenues which

have allowed Chippewa Industrial Developments Ltd. to move ahead with phase 2 - a 235 acre eco park. CIDL continues to present the business community with a good development model of economic and political stability within the larger non-native community in the pursuit of economic development, and area which they have certainly proven themselves successful.
