

Economic Developer Award Winner 1999

Eskasoni Fish and Wildlife Commission (EFWC)

- Eskasoni Fish and Wildlife Commission is an Aboriginal owned and operated company that is located on the Eskasoni Reserve in Nova Scotia.
- The EFWC houses a group of fish and wildlife conservationists. The EFWC conduct environmental studies, conservation and animal studies. Georgia Pacific approached EFWC for the first time regarding their input on environmental issues. The goal was to discuss the protection of sacred sites and environmentally safe procedures.
